TCT saw blade

C+series tube cutting saw blade

Cutting the steel tube without inner scarfing online

Speed:300-350m/min,Sz=0.05-0.12mm

Q+series tube cutting saw blade

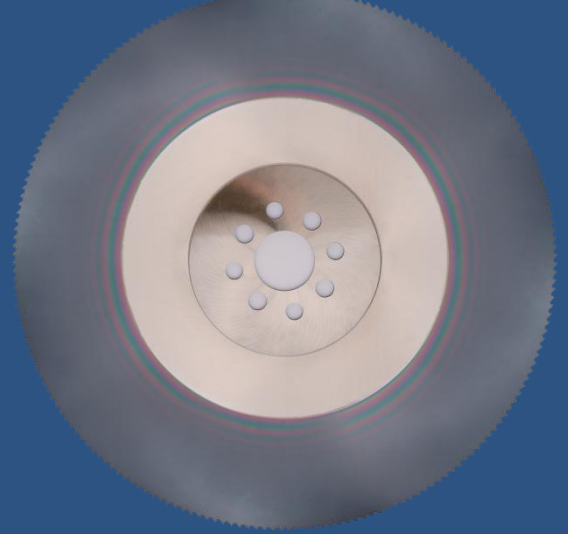

Cutting the steel tube wit inner scarfing online

Speed:300-350m/min,Sz=0.05-0.12mm

HSS Saw Blade

- Superhard PVD composite coating
- High temperature resistance, low coefficient of friction
- High cutting capacity:
Cutting area 4m^2
Cutting time: 10500 times for 48X2.5 round tube
- Speed: 120-220m/min
- Sz=0.02-0.05mm

TCT Saw blade for Milling type Orbital double blade cutting saw

The application parameters:

Speed:300-380m/min,
Sz=0.08-0.15mm
Cutting capacity:5--8m²
